the vessel this morning in search of employment as stokers and assistant engineers.

Chief Engineer Millar will not go to Brazil with El Chi. He will resume his oil position on El Norte under Cantal Hawthorne, lately commander of El Chi. Capt. E. C. Baker, who has succeeded him on El Chi, was on board this morning in full charge.

It is understood that he is simply going to take El Chi to Brazil, and that when she arrives there he will be superseded by a Brazillan.

The new owners are having trouble in engaging the engineers and bremon employed on the ship when she was a Morgan linet. They do not want to ship them before a United States Commissioner, but simply want them in go to as the ship have a New York, and the men say that it they enset the Brazillan fall will be brazillar as a on as the ship leaves New York, and the men say that it they enset the Brazillan for the Couplit, of Georgia, is in the city, the protection of the United States Government.

sailors left. They all got into the boat, although the sei threatened every moment to dash it to pieces against the side of the bark.

The Victoria's boat, with its brave crew, stood by to help the sailors, while the sharks swam swiftly about as though angry at the loss of their prospective prey.

Finally the second boat reached the Victoria. Her occupants were taken to boat sailors at the loss of their prospective prey.

Carter Harrison's Assassin Sent Fiery Letters to Washington.

Chicage's Great Fair Closes in Deep Gloom To-Day.

Resolutions of Serrow in Place of Orations of Triumph.

WASHINGTON, Oct. 20 .- Prendergast's bullets which took the life of Mayor Carter Harison might have found lodgment in the heart of a United States Senator or even the President of the Chited States. For fully two weeks before the mur-

der of Chicago's Mayor the assassin had been directing messages through the malls to at least one United States Schator which indicated that his mind was intensely wrought up against President Clevelant.

The burden of these communications was the silver question. The letters came to Senator Dubols, of Idaho.
